

The Turning Pointe Observes Covid safety measures – we will continue to monitor the situation and CDC guidelines – DANCE ON!

In Studio Safety Policies - For the time being, only dancers and dance staff will be allowed in the Studio and we will institute a one-way policy. All dancers enter through the DANCE door and exit from the Main Street door. Our policies are listed below and have been reviewed by the Health Department.

- Class Sizes are strictly limited
- **All parents must agree to keep their dancer home when sick. Your dancer must be fever free and have had no fever reducers for at least 72 hrs prior to attending class.**
- Dancers may arrive no earlier than 5 min before class begins.
- **All** who enter the studio must wear a properly secured face mask the entire time - **no exceptions**
- **All** must *Hand Sanitize Dance* before they enter.
- Social Distancing - **Sorry No spectators** - only dancers and staff will be allowed in the building. *3 and 4 yr olds may be accompanied by 1 adult - Please no siblings.*
- **All** Dancers will ENTER through the Turquoise "DANCE!" door. Dance Staff will welcome/assist your dancer as they arrive and as they leave.
- Dancers will maintain 6ft social distance (which is easy for dancers because we understand spacing!).
- After class, staff will escort dancers out of the Main Street door, *Hand Sanitize* and wait for Parent pick-up.
