Welcome! We hope you will join us as we celebrate our 26th season! Your Dancer's enrollment at the Turning Pointe includes In-person classes *and* Zoom classes (If Needed). Because of current health conditions, we are ready to teach your dancer in whatever format is necessary! We have equipped our studio with 54 in TV monitors, high speed wifi and cameras for our dancers and spectators. We will dance LIVE at the studio and switch to full Zoom if/when health concerns warrant. Please read our safety policies. Masks are optional at this time but I will constantly monitor the health and safety guidelines by our local health authorities and the CDC and make adjustments when necessary. We have taken all precautions so that we can provide a fun, healthy and rewarding dance experience. It is time to get moving folks, we can do this!!!

*Your dancer's class placement for the season is highlighted on the class description sheet. The placement for your dancer is based on over 50 years of training and experience. Placing your dancer at the correct level and in the correct class is absolutely in His/Her best interest and my top priority. I understand that as a dancer's level changes, it can be difficult to be separated from special friends however, your dancer's classmates will change many times during their dance career and I guarantee that your dancer will have friends and fun in any and all classes at the Turning Pointe. We have awesome kids.*
